

February Preschool Newsletter

This month we will continue learning the five senses, the letters Kk, Ll, Cc, Mm and Jj, the number 8 and the colors purple and pink. We will also introduce the concept of taste, touch and opposites.

Mission Project: For our second mission project of the year, the preschool children and the Sunday school children will be making Valentines for nursing home residents. The Sunday School Children will pass them out to the residents on Valentine's Day after church.

Wear Your Valenting Colors For the Valenting Party On:

Wednesday, February 10 or Thursday, February 11

Please help your child sign their valentines to give to his/her classmates! Please do not put the classmates name on the envelopes as it makes it easier for the child to pass out the valentines by themselves. This would be a great opportunity to have your child practice printing his/her name correctly on the valentine. (Just a reminder to use a capital letter for the first letter and lower case for the remaining letters.)

Mm Show-N-Tell Day: Please have your child bring in something that starts with

The letter Mm to school on:

Thursday, February 25 or Friday, February 26

****NO SCHOOL--- Friday, February 12 & Monday, February 15****

Reminder-If you are interested in registering your child for preschool next year, please do so soon as classes are filling up quickly.

School Delays-If Amherst schools is on a 2-hour weather delay; morning classes will be canceled.

Try this at home.....

Have your child cut out several construction paper hearts (with your help if needed). Write down matching letters of the alphabet (one letter per heart), that they are having trouble remembering, to create a memory matching game. You can substitute letters for numbers or shapes.
