

JANUARY Newsletter

Happy New Year!! Welcome back to school! This month we will introduce the 5 senses, the letters Ee, Ii, Pp, Xx and Gg and the color green. Please continue to practice alphabet flash cards with your child. Helping your child to recognize the letters of the alphabet is an important first step to future reading and writing skills. Continue to help your child practice printing his/her name at home.

Let it Snow! Let it Snow! Let it Snow!..... Winter weather is upon us. Please make sure all outerwear is clearly labeled with your child's name. Remember.... In case of inclement weather, we follow the Amherst School cancellations for "snow days." If there is a 2 hour weather delay for Amherst schools, preschool will be cancelled for that morning. Afternoon classes will be held. If the weather turns bad for the afternoon, please check Facebook for cancellations.
